LAB TASK:

Make our UI design responsive.

The screenshot shows a web browser window with the URL 127.0.0.1:5500/lab%203/index.html. The page displays a large image of a red brick building with arched windows, identified as the Riphah International University campus. Overlaid on the image is the text "Riphah International" in a large, bold, white font. Below this, a banner reads "Register NOW, Limited seats available!" with a red "Register Now" button. At the bottom of the page, a red footer bar contains the text: "If you have the attitude to take on extreme challenges today, you deserve to be part of a promising future tomorrow: a future that will make you financially independent and a successful entrepreneur." The browser's address bar shows other tabs like "REHLE MERE KOL | Simran" and "Riphah International". The taskbar at the bottom of the screen includes icons for various applications and shows the date and time as 01/11/2025, 9:47 pm, with a temperature of 23°C.

Invest your time and energy for a guaranteed success roadmap, a doorway for venturing into a world of endless possibilities. To become an aspiring entrepreneur, enhance your vision, and be financially independent.

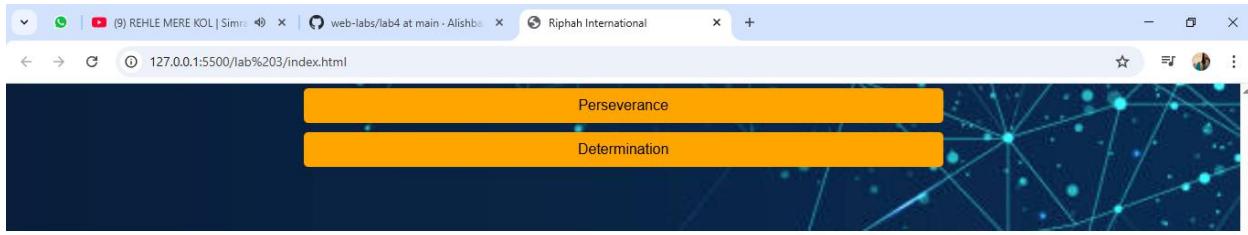

Through USA's work-based scholarship convention, you will get an opportunity of a lifetime. Increase productivity with a clear vision and a continual learning curve by working alongside members of Alumni and Corporate partners.

Full Name	Roll No
Department	Phone No

A screenshot of a web form. It consists of six input fields arranged in a 3x2 grid. The first column contains 'Full Name', 'Department', and 'Email ID'. The second column contains 'Roll No', 'Phone No', and 'CNIC'. Below the grid is a large blue 'Submit' button.

Add @media query to make our UI design responsive

A screenshot of the Visual Studio Code (VS Code) interface. The left sidebar shows a file tree with projects like 'cv-assignment', 'Lab 1', 'lab 2', 'lab 3', and 'lab 5'. The main editor area displays a portion of the 'style.css' file with the following CSS code:lab 3 > # style.css > ...
182 @media (max-width: 768px) {
183 .navbar {
184 padding: 10px 20px;
